LEADING CHANGE

Teaching & Learning

High Quality Teaching and Learning

EVO believes that high-quality teaching and learning (HQTL) is:

- Differentiated
- Student-centred, and
- Inquiry-based

And develops:

- International-minded, global-citizens
- Transferable academic and life skills, as well as knowledge

As a result, our students are able to successfully navigate the challenges in academic and social settings and contribute positively to their local and global communities.

Our School

- CIS and MSA accredited, one of only 2 schools in Egypt
- An IB World School
- Offers the only authentic AMI Montessori Programme in Egypt
- Promotes Service Learning throughout the curriculum
- Develops Digital and Global Citizenship
- Dedicates highly-integrated use of technology
- Has a dynamic and engaging arts program including visual arts, drama, and music
- Offers effective and qualified counsellors, university counselling, medical and inclusion staff
- Features highly qualified, IB-trained teaching staff from Montessori through Grade 12
- Promotes an active Parent Association, Student Government, and many engaging events including MUN, international trips, activities

Primary Programme

EVO is a Candidate School for the IB Primary Years Programme.* These are schools that share a common philosophy-a commitment to high quality, challenging, international education that Evolution believes is important for our students.

Montessori Children's House in the PYP

The Primary Programme at EVO includes the only authentic, AMI Montessori programme in all Egypt for children 3 to 6 years of age. Montessori education nurtures your child's natural curiosity and love for learning through hands-on, self-directed activities in a supportive environment with mixed-aged children. This unique setting encourages peer learning, leadership, and collaboration, fostering respect and community. Rooted in independence and personalized growth, Montessori empowers children to develop critical thinking, creativity, and confidence at their own pace.

Our Guides and teacher assistants are all Montessori trained and our Children's House is seen as a model for Montessori for the entire region. To learn more about Montessori at EVO, please scan the QR code.

*Only schools authorised by the IB Organization can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme, or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted. For further information about the IB and its programmes, visit www.ibo.org

Grades 1 to 5 in the PYP

Students in Grade 1 to 5 engage in student inquiry through six transdisciplinary themes. All teachers in all classes at each grade level collaboratively plan and teach using the same theme to address a big idea or concept. Students have a homeroom teacher for an integrated English, Math, Science, and Social Studies class.

They also have single-subject classes with specialists in Visual Arts, Drama, Music, Physical Education, Arabic, French, German (Grade 5 option), Ministry of Education Social Studies, and Religion.

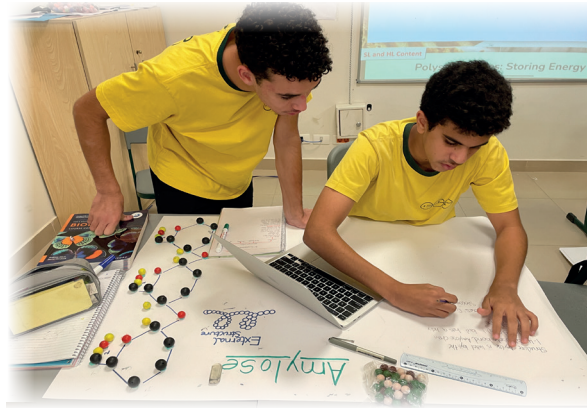

Secondary Programme

Our Secondary Programme is divided into IB MYP and DP programmes, depending on grade level.

Grades 6 - 10 in the MYP

EVO is a Candidate School for the IB Middle Years Programme.* These are schools that share a common philosophy-a commitment to high quality, challenging, international education that Evolution believes is important for our students.

The MYP:

- Fosters intellectual curiosity, intercultural understanding, and a commitment to service
- Encourages to make real-world connections through inquiry-based learning across subjects, promoting independence and collaboration
- Develops well-rounded life-long learners who are adaptable and ready to engage with complex global challenges

Students have a wide-range of subjects in our MYP programme, including:

- Language and Literature (Offered in English and Arabic)
- Language Acquisition (Offered in Arabic, French & German)
- Integrated Sciences, Physics, Biology & Chemistry
- Mathematics
- Individuals and Societies
- Visual Arts, Performing Arts
- Design
- Physical and Health Education
- Ministry of Education Arabic, Social Studies and Religion
- IB Projects (Community Project and Personal Project)

*Only schools authorised by the IB Organization can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme, or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted. For further information about the IB and its programmes, visit www.ibo.org

Grades 11 & 12 in the IBDP Programme

EVO is authorised to offer the IB Diploma Programme (DP) and is therefore an IB World School.

The DP (ages 16-19) offers a rigorous academic curriculum that prepares students for success in higher education and beyond. It emphasises depth of knowledge across six subject groups, critical thinking through the Theory of Knowledge (TOK) course, research skills in the Extended Essay (EE), and a dedication to creativity, activity, and service (CAS). The DP develops not only academic competence but also resilience and a mindset of lifelong learning.

Our highly-qualified staff delivers the IB Diploma is the gold standard of international education and recognised as such by colleges and universities around the world. Our students take multiple languages, have multiple options for Individuals and Societies, and Sciences. They also take mathematics and have the option of Visual Arts, while completing required TOK, EE, and CAS work.

Students completing the IB Diploma receive an American Diploma and an IB Diploma, two university qualifications.

Celebrating the Class of 2025's Success!

- 100% Diploma Pass Rate
- Highest Score 44 out of 45
- Average Result: 34 (Higher than the world average: 30)

Experienced Leadership

Mr. Andy Dailey, Director

Mr. Dailey is a highly-experienced School Director and has been very involved with IB programmes for over 25 years and international education since 1993. He has previously served as Executive Director of Albanian College in Durres and Tirana, Albania and Director of Uptown International School in Cairo, Egypt.

He has taught IB Diploma History and IB MYP Individuals and Societies, served as an IBDP CAS Coordinator in three schools, and has authored and co-authored a number of IBDP and IB MYP textbooks.

He serves as the Series Editor for Hodder Education's textbook series Access to History for the IB Diploma. He served for 12 years as an IB Workshop Leader, training hundreds of IB teachers, and as an IB examiner in Extended Essays and IB DP History. He has developed curriculum for History and CAS for the IBO several times. He is from Nashville, Tennessee, USA and has degrees in Education and History from Vanderbilt and Michigan State Universities.

Mr. Christian Gülzow, Head of Primary

Mr. Gülzow has 25 years' experience in teaching and leading schools in Europe, Asia, and Africa. He has been involved with IB programmes for many years, including PYP, MYP, and DP. He recently served as Founding Director of Albanian College Tirana II in Albania, an IB PYP and IB MYP school. He has also served as Director of Uungozi Center in Kenya, Acting and Assistant Principal at the International School of Hamburg, Germany, and Senior Master at the International School of Bangalore in India. He has also worked for the

United World College of the Atlantic in Cardiff, Wales, United Kingdom, Gresham's School in the UK, and the Central Bureau for Education Systems Abroad in Palestine and Kenya. He is considered an expert in German language by the IB and serves as an official IB Examiner for German language. Mr. Gülzow has a B.A. from the University of Rostock – Institute for Pedagogy and a Masters in Education Management from the University of Kaiserslautern, both in Germany.

**Ms. Farah Seif,
Head of Secondary**

Ms. Seif is a founding member of Evolution International School and has 14 years' experience in international education and leadership. She progressed through her leadership career from being a Mathematics teacher to Head of Department, Curriculum Leader, DP Coordinator, and Head of Secondary. Ms. Seif serves as a team evaluator member for the Council of International Schools (CIS).

She is a strong advocate for the IB and school authorization with the International Baccalaureate Organization. She has a passion for education, especially with young adults. She holds a PGCEi from Nottingham University, a Masters degree of Educational Leadership from the University of Dundee, and a Masters in Business Administration from the Arab Academy for Science and Technology (AAST) in Egypt.

Facilities

- Children's House
- Large classrooms
- Safe and secure with CCTV everywhere
- Canteen
- Clinic
- Future sport facilities

Future Campus

Admissions Procedures

Orientation Days

Before we start with our application process, the school offers Orientation Days that are announced on our school website and our social media networks. This gives parents a chance to get to know our school, meet our Senior Leadership Team and take a tour around campus.

Filling out our online application

To be part of our community, you can find our application form on the school's website online under "Admissions" with the required fields to be completed. Once the application is filled, you will receive a confirmation email with the application number. Someone from our Student Affairs department will contact you to discuss further details. <https://www.eisng.lvng.net/admission-procedure>

Child assessment & parent interview

The Student Affairs department will reach out to you to set a date for the assessment and parent interview. The assessment will be based on the child's age and their entry level grade. Parents will get a chance to sit with our stage director who will answer any questions you may have.

Acceptance and enrollment

Successful applicants will receive an acceptance email from the Student Affairs Department. To secure your child's enrollment, you will need to provide the school with the required documents to register your child in the Egyptian Ministry of Education.

Tuition Fees

The Finance Department will share with you the advanced payment and payment plan to secure your child's seat at our establishment. 50% of the tuition fees will need to be settled before the start of the academic year.
